Type: Tool

Proper Citation

Charité Berlin University of Medicine Animal Behavior Phenotyping Core Facility
(RRID:SCR_027985)

Resource Information

URL: https://experimentelle-mezizin.charite.de/en/animal_behavior_phenotyping_facility_abpf/

Proper Citation: Charité Berlin University of Medicine Animal Behavior Phenotyping Core Facility (RRID:SCR_027985)

Description: Core offers broad spectrum of behavioral tools to characterize novel animal models, including assays of cognition, exploratory behavior, social interaction, motivation, anxiety-related behavior, and motor performance. In addition to classical tests such as the Barnes maze, elevated plus maze and open field, the facility develops and implements novel, high-throughput and ethologically relevant approaches to monitor rodent behavior with particular emphasis on social interactions.

Synonyms: , Charité Berlin University of Medicine Animal Behavior Phenotyping Facility (ABPF)

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, characterize novel animal models, assays of cognition, exploratory behavior, social interaction, motivation, anxiety-related behavior, motor performance,

Resource Name: Charité Berlin University of Medicine Animal Behavior Phenotyping Core Facility

Resource ID: SCR_027985

Alternate IDs: ABRF_5780
