### Resource Information

**URL:** <https://borc.unl.edu/>

**Proper Citation:** University of Nebraska Lincoln Biomedical and Obesity Research Core Facility (RRID:SCR\_028863)

**Description:** Biomedical and Obesity Research Core (BORC) is a shared research facility providing specialized instrumentation, technical expertise, and research services. BORC supports metabolic phenotyping, cellular and molecular analysis, imaging, extracellular vesicle and nanoparticle characterization, animal behavior and physiology, and other specialized research applications. Provides access to specialized equipment and offers both staff-assisted services and user-operated instrumentation.

**Synonyms:** Biomedical and Obesity Research Core

**Resource Type:** access service resource, core facility, service resource

**Keywords:** ABRF, metabolic phenotyping, cellular and molecular analysis, imaging, extracellular vesicle, nanoparticle characterization, animal behavior and physiology,

**Availability:** Open

**Resource Name:** University of Nebraska Lincoln Biomedical and Obesity Research Core Facility

**Resource ID:** SCR\_028863

**Alternate IDs:** ABRF\_6144

**Alternate URLs:** <https://coremarketplace.org/?FacilityID=6144&citation=1>

**Record Creation Time:** 20260824T180336+0000

**Record Last Update:** 20260919T200141+0000
