M6PR antibody

RRID:AB_10722263

Type: Antibody

Proper Citation

GeneTex Cat# GTX88825, RRID:AB_10722263

Antibody Information

URL: http://antibodyregistry.org/AB_10722263

Proper Citation: GeneTex Cat# GTX88825, RRID:AB_10722263

Target Antigen: M6PR antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; ELISA. Preliminary experiments gave bands at approx 70kDa and 35kDa in Human Lymph Node and Thyroid Gland lysates after 1µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 31.0kDa according to NP_002346.1. Both detected bands were successfully blocked by incubation with the immunizing peptide (and BLAST results with the immunizing peptide sequence did not identify any other proteins to explain the additional bands). We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported?

Antibody Name: M6PR antibody

Description: This polyclonal targets M6PR antibody

Target Organism: rat, canine, cow, mouse, bovine, dog, human

Antibody ID: AB_10722263

Vendor: GeneTex

Catalog Number: GTX88825

Record Creation Time: 20250819T231936+0000

Record Last Update: 20250820T045940+0000

Ratings and Alerts

No rating or validation information has been found for M6PR antibody.

Warning: Discontinued at GeneTex
