RRID:Addgene_41395

Type: Plasmid

Proper Citation

RRID:Addgene_41395

Plasmid Information

URL: <http://www.addgene.org/41395>

Proper Citation: RRID:Addgene_41395

Bacterial Resistance: Chloramphenicol and Ampicillin

Vector Backbone Description: Backbone Marker:Addgene plasmid 41393; Backbone Size:9396; Vector Backbone:pCW57.1; Vector Types:Mammalian Expression, Lentiviral, Gateway Destination vector, Doxycycline inducible; Bacterial Resistance:Chloramphenicol and Ampicillin

Comments: The plasmid expresses puro-2A-rtTA-VP16 from the PGK promoter, so it can be used as an 'all-in-one' dox on system. Alternate plasmid name: TRE-gateway-V5; PGK-puro-2A-rtTA

Plasmid Name: pLIX_403

Record Creation Time: 20220422T222215+0000

Record Last Update: 20260725T074652+0000

Ratings and Alerts

No rating or validation information has been found for pLIX_403.

No alerts have been found for pLIX_403.
