Annotare

RRID:SCR_000319

Type: Tool

Proper Citation

Annotare (RRID:SCR_000319)

Resource Information

URL: <http://code.google.com/p/annotare/>

Proper Citation: Annotare (RRID:SCR_000319)

Description: A software tool for annotating biomedical investigations and the resulting data, then producing a MAGE-TAB file. This software is a standalone desktop which features: an editor function, an annotation modifier, incorporation of terms from biomedical ontologies, standard templates for common experiment types, a design aid to help create a new document, and a validator that checks for syntactic and semantic violations.

Synonyms: annotare: a tool for annotating high-throughput biomedical investigations and resulting data

Resource Type: standalone software, software resource, software application

Defining Citation: [PMID:20733062](#)

Keywords: biomedical research, magetab, editor, annotation, biomedical ontology

Funding: NIBIB ;
NCI ;
NHGRI P41 HG003619

Availability: Free, Available for download, Freely available

Resource Name: Annotare

Resource ID: SCR_000319

Alternate IDs: OMICS_00741
