Zebrafish Brain Atlas

RRID:SCR_000606

Type: Tool

Proper Citation

Zebrafish Brain Atlas (RRID:SCR_000606)

Resource Information

URL: <http://zebrafishucl.org/zebrafishbrain#about-1>

Proper Citation: Zebrafish Brain Atlas (RRID:SCR_000606)

Description: Collates and curates neuroanatomical data and information generated both in-house and by community to communicate current state of knowledge about neuroanatomical structures in developing zebrafish. Most of data come from high resolution confocal imaging of intact brains in which neuroanatomical structures are labelled by combinations of transgenes and antibodies. Community repository for image based data related to neuroanatomy of zebrafish.

Abbreviations: Zebrafish Brain Atlas

Synonyms: , zebrafishbrain.org, Zebrafish Brain Atlas

Resource Type: atlas, data or information resource, data repository, service resource, storage service resource, image repository

Keywords: brain, neuroanatomy, developing, transgene, antibody, confocal, section, reconstruction, high-resolution, developmental stage, embryo, brain structure, confocal imaging, comparative anatomy, transgenic, 3d spatial image, video, embryonic zebrafish, development, annotation, narrative resource, training material, cell repository

Funding: European Union ;
Wellcome Trust ;
BBSRC

Availability: Public, (Transgenic lines), Freely available for academic use, Creative Commons license, (pending verification), The community can contribute to this resource

Resource Name: Zebrafish Brain Atlas

Resource ID: SCR_000606

Alternate IDs: nlx_149455

Alternate URLs: <http://zebrafishucl.org/>

Old URLs: <http://www.ucl.ac.uk/zebrafish-group/zebrafishbrain/index.php>

Record Creation Time: 20220129T080202+0000

Record Last Update: 20260803T040257+0000

Ratings and Alerts

No rating or validation information has been found for Zebrafish Brain Atlas.

No alerts have been found for Zebrafish Brain Atlas.
