Using our Brains Tissue Donor Program (RRID:SCR_000705)

Resource Information

URL: <http://www.braindonors.org>

Proper Citation: Using our Brains Tissue Donor Program (RRID:SCR_000705)

Description: An Australian brain bank which aims to collect, store, characterize and provide tissue to national and international researchers studying disorders of the brain such as alcohol-related brain damage and mental illness, like schizophrenia. The program encourages those who are medically healthy to donate.

Abbreviations: UoB

Resource Type: biomaterial supply resource, material resource

Keywords: brain, tissue, donate, bank, disorder, alcohol, damage, mental, illness, schizophrenia, neuroscience, health, disease, community

Resource Name: Using our Brains Tissue Donor Program

Resource ID: SCR_000705

Alternate IDs: nif-0000-30212

Record Creation Time: 20220129T080203+0000

Record Last Update: 20260801T191043+0000
