Proper Citation: Healthy People (RRID:SCR_001446)

Description: Database portal for science-based, 10-year national objectives resulting from a multiyear process that reflects input from a diverse group of individuals and organizations for improving the health of all Americans. 2020 Topics & Objectives are available in an A-Z format. DATA2020, the Healthy People 2020 interactive data tool, allows users to explore the data and technical information related to the Healthy People 2020 objectives. For 3 decades, Healthy People has established benchmarks and monitored progress over time in order to: * Encourage collaborations across communities and sectors. * Empower individuals toward making informed health decisions. * Measure the impact of prevention activities. Healthy People 2020 strives to: * Identify nationwide health improvement priorities. * Increase public awareness and understanding of the determinants of health, disease, and disability and the opportunities for progress. * Provide measurable objectives and goals that are applicable at the national, State, and local levels. * Engage multiple sectors to take actions to strengthen policies and improve practices that are driven by the best available evidence and knowledge. * Identify critical research, evaluation, and data collection needs.

Abbreviations: Healthy People

Synonyms: HealthyPeople.gov, Healthy People 2020

Resource Type: data or information resource, database

Keywords: health, prevention, improvement, disease, disability, public awareness, injury, quality of life, healthy development, healthy behavior, healthy, public health, data set

Availability: Free, Freely Available

Resource Name: Healthy People

Resource ID: SCR_001446

Alternate IDs: nlx_152705

Record Creation Time: 20220129T080207+0000

Record Last Update: 20260804T043119+0000
