A Classification of Mobile genetic Elements

RRID:SCR_001694

Type: Tool

Proper Citation

A Classification of Mobile genetic Elements (RRID:SCR_001694)

Resource Information

URL: <http://aclame.ulb.ac.be/>

Proper Citation: A Classification of Mobile genetic Elements (RRID:SCR_001694)

Description: A database dedicated to the collection and classification of mobile genetic elements (MGEs) from various sources, comprising all known phage genomes, plasmids and transposons. In addition to provide information on the full genomes and genetic entities, it aims at building a comprehensive classification of the functional modules of MGE's at the protein, gene, and higher levels. Prophinder, a tool dedicated to the detection of prophages in sequenced bacterial genomes, is available on ACLAME.

Abbreviations: ACLAME

Synonyms: ACLAME: A CLAssification of Mobile genetic Elements

Resource Type: data or information resource, database

Defining Citation: [PMID:19933762](#), [PMID:14681355](#)

Keywords: mobile genetic element, phage genome, plasmid, virus, prophage, transposon, protein, gene, classification, data analysis service, prophage prediction, bio.tools, FASEB list

Funding: ESTEC contract ESTEC 16370/02/NL/CK

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: A Classification of Mobile genetic Elements

Resource ID: SCR_001694

Alternate IDs: nif-0000-02533, OMICS_01528, biotools:aclame

Alternate URLs: <https://bio.tools/aclame>

Record Creation Time: 20220129T080209+0000

Record Last Update: 20260801T190910+0000

Ratings and Alerts

No rating or validation information has been found for A Classification of Mobile genetic Elements.

No alerts have been found for A Classification of Mobile genetic Elements.
