CNVrd2

RRID:SCR_001723

Type: Tool

Proper Citation

CNVrd2 (RRID:SCR_001723)

Resource Information

URL: <http://www.bioconductor.org/packages/devel/bioc/html/CNVrd2.html>

Proper Citation: CNVrd2 (RRID:SCR_001723)

Description: A software package that uses next-generation sequencing data to measure human gene copy number for multiple samples, identify SNPs tagging copy number variants and detect copy number polymorphic genomic regions.

Synonyms: CNVrd2: a read depth-based method to detect and genotype complex common copy number variants from next generation sequencing data

Resource Type: software resource

Defining Citation: [PMID:23646200](https://pubmed.ncbi.nlm.nih.gov/23646200/)

Keywords: standalone software, illumina, unix/linux, mac os x, windows, r, clustering., copy number variation, coverage, linkage disequilibrium, snp, sequencing

Availability: Free, Available for download, Freely available

Resource Name: CNVrd2

Resource ID: SCR_001723

Alternate IDs: OMICS_03924

Alternate URLs: <http://www.bioconductor.org/packages/release/bioc/html/CNVrd2.html>, <https://github.com/hoangtn/CNVrd2>

License: GNU General Public License, v3

Record Creation Time: 20220129T080209+0000

Record Last Update: 20260725T190507+0000

Ratings and Alerts

No rating or validation information has been found for CNVrd2.

No alerts have been found for CNVrd2.

Data and Source Information
