Proper Citation: Organization for Human Brain Mapping (RRID:SCR_001978)

Description: International society dedicated to advancing understanding of anatomical and functional organization of human brain using neuroimaging. Primary function of society is to provide educational forums for exchange of up-to-the-minute and groundbreaking research across neuroimaging methods and applications. OHBM achieves this through its member led committees and Annual Meeting that is held in different locations throughout the world.

Synonyms: OHBM

Resource Type: topical portal, organization portal, data or information resource, portal

Keywords: dti, eeg, fmri, functional, anatomical, brain, brain imaging, brain mapping, cognitive neuroscientists, human, imaging genetics, research, structural, structural mri, tractography, transcranial magnetic stimulation, neuroimaging, meg

Resource Name: Organization for Human Brain Mapping

Resource ID: SCR_001978

Alternate IDs: nif-0000-10633

Record Creation Time: 20220129T080210+0000

Record Last Update: 20260801T042521+0000

Ratings and Alerts

No rating or validation information has been found for Organization for Human Brain Mapping.

No alerts have been found for Organization for Human Brain Mapping.
