## UNC Human Brain Atlas

RRID:SCR\_002606

Type: Tool

### Proper Citation

UNC Human Brain Atlas (RRID:SCR\_002606)

### Resource Information

**URL:** [http://www.nitrc.org/projects/unc\\_brain\\_atlas](http://www.nitrc.org/projects/unc_brain_atlas)

**Proper Citation:** UNC Human Brain Atlas (RRID:SCR\_002606)

**Description:** Human brain atlases for adult, pediatric and elderly populations, by iterative joint deformable registration of training datasets into a single unbiased average image. Atlases packages include T1-weighted images, tissue priors (WM,GM,CSF), lobar parcellation maps and subcortical structures. Current available atlases: \* Adult atlas: Symmetric atlas generated from 50+ healthy adult subjects (20-59 year old). \* UNC-MNI Pediatric 1-year-old atlas: Symmetric atlas generated from 104 1-year-old subjects, combining children at high familial risk of autism and controls. \* Pediatric 4-year-old atlas: Symmetric atlas generated from 10 4-year-old healthy subjects. \* Elderly atlas: Atlas generated from 27 healthy elderly subjects (60+ years old). Additional information and acknowledgment for their usage can be found by clicking on the release notes.

**Abbreviations:** UNC Human Brain Atlas

**Resource Type:** atlas, data or information resource, reference atlas

**Keywords:** atlas data, magnetic resonance, nrrd, adult human, young human, pediatric, infant, late adult human, brain

**Availability:** Free, Available for download, Freely available

**Resource Name:** UNC Human Brain Atlas

**Resource ID:** SCR\_002606

**Alternate IDs:** nlx\_156009

**License:** Creative Commons Attribution-NonCommercial-ShareAlike License

**Record Creation Time:** 20220129T080214+0000

**Record Last Update:** 20260801T190821+0000
