Assembly/Alignment/Annotation of 12 Related Drosophila Species

RRID:SCR_002921

Type: Tool

Proper Citation

Assembly/Alignment/Annotation of 12 Related Drosophila Species (RRID:SCR_002921)

Resource Information

URL: <http://rana.lbl.gov/drosophila>

Proper Citation: Assembly/Alignment/Annotation of 12 Related Drosophila Species (RRID:SCR_002921)

Description: A single source for sequences, assemblies, annotations and analyses of the genomes of members of the fruitfly genus *Drosophila*. It is meant as resource for Drosophilists and other researchers interested in comparative analysis of these species and their genomes. There are pages for each species, as well as pages for different types of multi-species resources (e.g. alignments). If you have a public resource that will help this project, please consider making it available through this page by emailing multiple_at_fruitfly.org.

Synonyms: AAA: 12 Drosophila Genomes

Resource Type: data set, data or information resource, organism-related portal, topical portal, portal

Keywords: sequence, annotation, analysis, genome, fruitfly, drosophila, research, comparative, alignment, assembly

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Assembly/Alignment/Annotation of 12 Related Drosophila Species

Resource ID: SCR_002921

Alternate IDs: nif-0000-30021

Record Creation Time: 20220129T080216+0000

Record Last Update: 20260729T044034+0000

Ratings and Alerts

No rating or validation information has been found for Assembly/Alignment/Annotation of 12 Related Drosophila Species.

No alerts have been found for Assembly/Alignment/Annotation of 12 Related Drosophila Species.
