Gene Weaver

RRID:SCR_003009

Type: Tool

Proper Citation

Gene Weaver (RRID:SCR_003009)

Resource Information

URL: <http://www.GeneWeaver.org>

Proper Citation: Gene Weaver (RRID:SCR_003009)

Description: Freely accessible phenotype-centered database with integrated analysis and visualization tools. It combines diverse data sets from multiple species and experiment types, and allows data sharing across collaborative groups or to public users. It was conceived of as a tool for the integration of biological functions based on the molecular processes that subserved them. From these data, an empirically derived ontology may one day be inferred. Users have found the system valuable for a wide range of applications in the arena of functional genomic data integration.

Synonyms: GeneWeaver, GeneWeaver - A system for the integration of functional genomics experiments, Ontological Discovery Environment, GeneWeaver.org

Resource Type: data analysis service, data or information resource, data repository, storage service resource, database, service resource, production service resource, analysis service resource

Defining Citation: [PMID:22080549](#), [PMID:19733230](#)

Keywords: phenotype, microarray, gene, genome, functional genomics, process, pathway, function, gene set, genomic data integration, analysis, visualization

Funding: Integrative Neuroscience Initiative on Alcoholism ;
NIAAA U01 AA13499;
NIAAA U24 AA13513;
NIAAA R01 AA18776

Availability: Free, Freely available

Resource Name: Gene Weaver

Resource ID: SCR_003009

Alternate IDs: r3d100012464, OMICS_02232, nif-0000-00517

Alternate URLs: <http://ontologicaldiscovery.org/>, <https://doi.org/10.17616/R3248T>
