Proper Citation: Inserm Transfert (RRID:SCR_003808)

Description: A private subsidiary of the French National Institute of the Health and Medical Research (Inserm), dedicated to technology transfer (from invention disclosure to industrial partnership). It manages European and International research projects, supports large scale projects in epidemiology and public health. It has run a proof of concept fund. The company is also committed to seed financing in the biotech sector, through its dedicated seed fund company Inserm Transfert Initiative. www.inserm-transfert.fr
