Biomedical Diagnostics Institute

RRID:SCR_004022

Type: Tool

Proper Citation

Biomedical Diagnostics Institute (RRID:SCR_004022)

Resource Information

URL: <http://www.bdi.ie/>

Proper Citation: Biomedical Diagnostics Institute (RRID:SCR_004022)

Description: An academic-business-clinical partnership that sponsors research programs focused on the development of next-generation biomedical diagnostic devices. They aim to transform healthcare by pioneering advances in the science and technology of diagnostics and by translating these advances into clinical use. Building on key scientific insights, the BDI will now apply its established capabilities to create integrated Point-of-Care solutions, which will have major impacts on diagnosing disease and sustaining human health.

Abbreviations: BDI

Resource Type: topical portal, data or information resource, portal

Keywords: device development, product development, device, diagnostic, microfluidics, molecular assay, signal detection, biomarker, custom antibody, clinical, healthcare, diagnostic device, antibody, consortium

Funding: Science Foundation Ireland ;
Industry partners

Resource Name: Biomedical Diagnostics Institute

Resource ID: SCR_004022

Alternate IDs: nlx_158448

Record Creation Time: 20220129T080222+0000

Record Last Update: 20260731T042655+0000

Ratings and Alerts

No rating or validation information has been found for Biomedical Diagnostics Institute.

No alerts have been found for Biomedical Diagnostics Institute.
