Whole Brain Atlas

RRID:SCR_005390

Type: Tool

Proper Citation

Whole Brain Atlas (RRID:SCR_005390)

Resource Information

URL: <http://www.med.harvard.edu/AANLIB/>

Proper Citation: Whole Brain Atlas (RRID:SCR_005390)

Description: An atlas of normal and abnormal brain images intended as an introduction to basic neuroanatomy, with emphasis on the pathoanatomy of several leading central nervous system diseases that integrates clinical information with magnetic resonance (MR), x-ray computed tomography (CT), and nuclear medicine images. A range of brain abnormalities are presented including examples of certain brain disease presented with various combinations of image type and imaging frequency. Submissions of concise, exemplary, clinically driven examples of neuroimaging are welcome.

Resource Type: training material, service resource, data repository, atlas, image repository, data or information resource, narrative resource, storage service resource

Keywords: atlas, brain, human, abnormal brain image, neuroanatomy, imaging

Related Condition: Inflammatory disease, Infectious disease, Degenerative disease, Neoplastic disease, Brain tumor, Cerebrovascular disease, Stroke

Funding: American Academy of Neurology ;
Brigham and Womens Hospital; Massachusetts; USA ;
Departments of Radiology and Neurology ;
Countway Library of Medicine

Availability: Copyrighted, Acknowledgement required, Non-commercial, The community can contribute to this resource

Resource Name: Whole Brain Atlas

Resource ID: SCR_005390

Alternate IDs: r3d100010274, nif-0000-00079

Alternate URLs: <https://doi.org/10.17616/R34P4F>

Record Creation Time: 20220129T080230+0000

Record Last Update: 20260731T042709+0000

Ratings and Alerts

No rating or validation information has been found for Whole Brain Atlas.

No alerts have been found for Whole Brain Atlas.
