International Knockout Mouse Consortium

RRID:SCR_005574

Type: Tool

Proper Citation

International Knockout Mouse Consortium (RRID:SCR_005574)

Resource Information

URL: <http://www.knockoutmouse.org/>

Proper Citation: International Knockout Mouse Consortium (RRID:SCR_005574)

Description: Database of the international consortium working together to mutate all protein-coding genes in the mouse using a combination of gene trapping and gene targeting in C57BL/6 mouse embryonic stem (ES) cells. Detailed information on targeted genes is available. The IKMC includes the following programs: * Knockout Mouse Project (KOMP) (USA) ** CSD, a collaborative team at the Children's Hospital Oakland Research Institute (CHORI), the Wellcome Trust Sanger Institute and the University of California at Davis School of Veterinary Medicine, led by Pieter deJong, Ph.D., CHORI, along with K. C. Kent Lloyd, D.V.M., Ph.D., UC Davis; and Allan Bradley, Ph.D. FRS, and William Skarnes, Ph.D., at the Wellcome Trust Sanger Institute. ** Regeneron, a team at the VelociGene division of Regeneron Pharmaceuticals, Inc., led by David Valenzuela, Ph.D. and George D. Yancopoulos, M.D., Ph.D. * European Conditional Mouse Mutagenesis Program (EUCOMM) (Europe) * North American Conditional Mouse Mutagenesis Project (NorCOMM) (Canada) * Texas A&M Institute for Genomic Medicine (TIGM) (USA) Products (vectors, mice, ES cell lines) may be ordered from the above programs.

Abbreviations: IKMC

Resource Type: data or information resource, database

Defining Citation: [PMID:22968824](#), [PMID:21677750](#)

Keywords: gene, knock out mouse, chromosome, allele, c57bl/6, embryonic stem cell, vector, mutant, es cell, genome, targeting, gene list, FASEB list

Funding: European Union ;
NHGRI HG004074

Resource Name: International Knockout Mouse Consortium

Resource ID: SCR_005574

Alternate IDs: nlx_146200

Record Creation Time: 20220129T080231+0000

Record Last Update: 20260729T044125+0000

Ratings and Alerts

No rating or validation information has been found for International Knockout Mouse Consortium.

No alerts have been found for International Knockout Mouse Consortium.
