MAPPFinder

RRID:SCR_005791

Type: Tool

Proper Citation

MAPPFinder (RRID:SCR_005791)

Resource Information

URL: http://www.genmapp.org/help_v2/UsingMAPPFinder.htm

Proper Citation: MAPPFinder (RRID:SCR_005791)

Description: MAPPFinder is an accessory program for GenMAPP. This program allows users to query any existing GenMAPP Expression Dataset Criterion against GO gene associations and GenMAPP MAPPs (microarray pathway profiles). The resulting analysis provides the user with results that can be viewed directly upon the Gene Ontology hierarchy and within GenMAPP, by selecting terms or MAPPs of interest. Platform: Windows compatible

Abbreviations: MAPPFinder

Resource Type: data processing software, data analysis software, software application, software resource

Defining Citation: [PMID:12540299](#)

Keywords: gene, gene ontology, gene association, gene expression, profile, microarray, pathway, statistical analysis

Funding: University of California at San Francisco; California; USA ;
San Francisco General Hospital; California; USA ;
NHLBI ;
NCRR MO1RR00083

Availability: Free for academic use

Resource Name: MAPPFinder

Resource ID: SCR_005791

Alternate IDs: nlx_149270

Record Creation Time: 20220129T080232+0000

Record Last Update: 20260801T042615+0000

Ratings and Alerts

No rating or validation information has been found for MAPPFinder.

No alerts have been found for MAPPFinder.

Data and Source Information
