Proper Citation: OLIN - Obstructive Lung disease in Northern Sweden (RRID:SCR_006009)

Description: THIS RESOURCE IS NO LONGER IN SERVICE, documented August 23, 2016. Longitudinal studies that consist of more than 40 000 subjects that have been followed since 1986 to be used in studies on how hereditary factors influence the development and progression of Chronic Obstructive Pulmonary Disease (COPD). Its overall objective to find ??tg??rdbara determinants of especially asthma and COPD but also allergy and OSAS (obstructive sleep apnea syndrome). Research is carried out in two huvudforskningsl inger; population studies among adults of asthma, allergies, COPD, chronic bronchitis and OSAS. The second main line of longitudinal studies on asthma and allergies among schoolchildren with measurement of incidence, remission and morbidity. The study followed annually all 3500 schoolchildren since 1996 when they went in first and second class in Kiruna, Lulea and Pitea. In addition to questionnaire studies contained in methods, as well as in the adult studies, mainly respiratory function, BMI, skin prick test and clinical interview. Main frageställningen of risk factors for incident asthma and allergy.

Abbreviations: OLIN

Synonyms: Obstructive Lung disease in Northern Sweden, KI Biobank - OLIN, OLIN-studies, OLIN (Obstructive Lung disease in Northern Sweden)

Resource Type: biomaterial supply resource, material resource

Keywords: lung disease, genetics, gene, longitudinal, lung function, adult, child, questionnaire, respiratory function, bmi, skin prick test, clinical interview

Related Condition: Chronic Obstructive Pulmonary Disease, Asthma, Allergy, Obstructive sleep apnea syndrome, Chronic bronchitis

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: OLIN - Obstructive Lung disease in Northern Sweden

Resource ID: SCR_006009

Alternate IDs: nlx_151390

Record Creation Time: 20220129T080233+0000

Record Last Update: 20260725T191236+0000

Ratings and Alerts

No rating or validation information has been found for OLIN - Obstructive Lung disease in Northern Sweden.

No alerts have been found for OLIN - Obstructive Lung disease in Northern Sweden.
