casper

RRID:SCR_006613

Type: Tool

Proper Citation

casper (RRID:SCR_006613)

Resource Information

URL: <http://bioconductor.org/packages/release/bioc/html/casper.html>

Proper Citation: casper (RRID:SCR_006613)

Description: Software to infer alternative splicing from paired-end RNA-seq data. The model is based on counting paths across exons, rather than pairwise exon connections, and estimates the fragment size and start distributions non-parametrically, which improves estimation precision.

Abbreviations: casper

Synonyms: casper - Characterization of Alternative Splicing based on Paired-End Reads, Characterization of Alternative Splicing based on Paired-End Reads

Resource Type: software resource

Keywords: bio.tools

Availability: GNU General Public License, v2 or greater

Resource Name: casper

Resource ID: SCR_006613

Alternate IDs: biotools:casper, OMICS_01270

Alternate URLs: <https://bio.tools/casper>

Record Creation Time: 20220129T080237+0000

Record Last Update: 20260725T190623+0000

Ratings and Alerts

No rating or validation information has been found for casper.

No alerts have been found for casper.
