University of Southern California Brain Project

RRID:SCR_008044

Type: Tool

Proper Citation

University of Southern California Brain Project (RRID:SCR_008044)

Resource Information

URL: <http://neuroinformatics.usc.edu/>

Proper Citation: University of Southern California Brain Project (RRID:SCR_008044)

Description: The USC Brain Project is engaged in the effort to develop new tools and methodologies for neuroinformatics in modeling neural mechanisms of visuomotor coordination and exploring the evolution of the human language-ready brain, as well as conducting work in both neural modeling and database construction in relation to rehabilitation after stroke. Sponsors: USCBP is funded by the University of Southern California.

Synonyms: USCBP

Resource Type: software resource, data or information resource, database

Keywords: brain, human, neural, neuroinformatics, stroke, visuomotor coordination, language

Resource Name: University of Southern California Brain Project

Resource ID: SCR_008044

Alternate IDs: nif-0000-10531

Old URLs: http://neuroinformatics.usc.edu/mediawiki/index.php/Main_Page

Record Creation Time: 20220129T080245+0000

Record Last Update: 20260801T042641+0000

Ratings and Alerts

No rating or validation information has been found for University of Southern California Brain Project.

No alerts have been found for University of Southern California Brain Project.
