Proper Citation: Michael Stern Parkinsons Research Foundation (RRID:SCR_008098)

Description: THIS RESOURCE IS NO LONGER IN SERVICE, documented on May 18th, 2016. A foundation that was founded in 2001, and sponsors academic centers throughout the US. The Michael Stern Parkinson's Research Foundation focuses its efforts mainly on finding the causes of the disease, finding effective treatments, and discovering a cure for the disease. The foundation is notably looking into dopamine and its effects on neural connections, as well its possibility to be used for treatment.

Dr. Greengard has assembled a close knit group of more than 25 outstanding scientists who are focused on translating the fundamental understandings about the dopamine system into new treatments for Parkinson's. The core team of researchers is based at the Stern Foundation laboratory on the campus of The Rockefeller University interacts continually with collaborators from the United Kingdom, France, Sweden, Italy, Japan and Korea. This global presence ensures that no promising research lead is overlooked, and that progress can be made on multiple fronts simultaneously. As the Foundation grew it was able to expand its support for critical neurological research to two other institutions, Harvard University's McLean Hospital, where we support the research of Dr. Ole Isacson whose research lab, The Stern Center for Neuroregeneration Research is using gene therapy to protect the most vulnerable neurons in PD models; and the Institute for Neurodegenerative Disorders, where Yale Professors Dr. Ken Marek and Dr. John Seibyl are developing novel tools for early detection and monitoring of Parkinson's disease by studying physiologic, biochemical and neuroimaging biomarkers for non-dominergic manifestations of Parkinsonism. :NIF thanks the Parkinson's Disease Foundation, <http://www.pdf.org> for their referral of this resource to us.

Resource Type: funding resource, disease-related portal, portal, topical portal, data or information resource

Keywords: parkinson's disease, research, treatment

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Michael Stern Parkinsons Research Foundation

Resource ID: SCR_008098

Alternate IDs: nif-0000-11735

Record Creation Time: 20220129T080245+0000

Record Last Update: 20260731T042748+0000

Ratings and Alerts

No rating or validation information has been found for Michael Stern Parkinsons Research Foundation.
