miRNEST

RRID:SCR_008907

Type: Tool

Proper Citation

miRNEST (RRID:SCR_008907)

Resource Information

URL: <http://lemur.amu.edu.pl/share/php/mirnest/home.php>

Proper Citation: miRNEST (RRID:SCR_008907)

Description: A database of animal, plant and virus microRNA data maintained at the University of Poznan. The database provides: * 9980 miRNA candidates from 420 animal and plant species predicted in Expressed Sequence Tags * predicted targets for plant candidates * RNA-seq reads mapped to candidates from 29 species * external data from 12 databases that includes sequences, polymorphism, expression and regulation. miRNEST 1.0, it contains miRNA from 563 animals, plants and viruses plant species.

Abbreviations: miRNEST

Synonyms: miRNEST - a database of animal and plant microRNAs

Resource Type: data or information resource, database

Defining Citation: [PMID:22135287](#)

Keywords: microrna, expressed sequence tag, rna-seq read, sequence, polymorphism, mirna sequence, small rna sequence, single nucleotide polymorphism, bio.tools

Funding: European Social Fund ;
Adam Mickiewicz University PBWB-08/2011;
Polish Ministry of Science and Higher Education N N301 160935;
Polish Ministry of Science and Higher Education N N516 441938

Resource Name: miRNEST

Resource ID: SCR_008907

Alternate IDs: nlx_151465, biotools:mirnest

Alternate URLs: <http://mirnest.amu.edu.pl>, <https://bio.tools/mirnest>

Record Creation Time: 20220129T080250+0000

Record Last Update: 20260729T044224+0000

Ratings and Alerts

No rating or validation information has been found for miRNEST.

No alerts have been found for miRNEST.
