Proper Citation: OHSU Neuropathology Core (RRID:SCR_009988)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on December 6, 2022. The Neuropathology Core of the Layton Center for Aging and Alzheimer's Disease Center is dedicated to studying, through autopsy, the brains of individuals who have been followed longitudinally in the Oregon Alzheimer's Disease Center Clinical Core. Requests for tissue from the Oregon Brain Bank should be directed to Dr. Randall Woltjer. Dr. Woltjer will be glad to communicate with investigators regarding their tissue needs and to assist them in identifying suitable materials for their studies. Material Transfer Agreements between the requesting and sending institutions are needed before shipment.

Resource Type: core facility, service resource, access service resource

Related Condition: Aging
