International Classification of Functioning Disability and Health (RRID:SCR_010239)

Resource Information

URL: <http://purl.bioontology.org/ontology/ICF>

Proper Citation: International Classification of Functioning Disability and Health (RRID:SCR_010239)

Description: A classification of health and health-related domains. These domains are classified from body, individual and societal perspectives by means of two lists: a list of body functions and structure, and a list of domains of activity and participation. Since an individual's functioning and disability occurs in a context, the ICF also includes a list of environmental factors.

Abbreviations: ICF

Resource Type: controlled vocabulary, data or information resource, ontology

Keywords: owl

Resource Name: International Classification of Functioning Disability and Health

Resource ID: SCR_010239

Alternate IDs: nlx_157452

Record Creation Time: 20220129T080257+0000
