Proper Citation: University of North Carolina Lineberger Comprehensive Cancer Center Tissue Culture Core Facility (RRID:SCR_012432)

Description: Supply center and provides UNC Lineberger members and UNC colleagues with tissue culture products including stocks media, media supplements, serum, salt solutions, antibiotics, cell culture flasks and dishes, and many other in vitro cell culture and molecular biology-related items, kits and cell lines. Cell lines include normal and transformed mammalian, avian, insect, amphibian/reptile, and hybridoma cells. Services include checking Fetal Bovine Serum for quality and efficacy. TCF partners with Genetica Cell Line Services to offer qPCR-based Mycoplasma contamination testing for cell or DNA samples. Utilizes Genetica Cell Line Services for STR profiling of cell lines.

Abbreviations: TCF

Synonyms: UNC School of Medicine Tissue Culture Facility, University of North Carolina at Chapel Hill School of Medicine Tissue Culture Facility

Resource Type: core facility, service resource, access service resource

Resource Name: University of North Carolina Lineberger Comprehensive Cancer Center Tissue Culture Core Facility

Resource ID: SCR_012432

Alternate IDs: ABRF_2738, SciEx_13292

Alternate URLs: <https://coremarketplace.org/?FacilityID=2738&citation=1>

Old URLs: <http://www.scienceexchange.com/facilities/tissue-culture-facility>

Record Creation Time: 20220129T080310+0000

Record Last Update: 20260731T042847+0000

Ratings and Alerts

No rating or validation information has been found for University of North Carolina Lineberger Comprehensive Cancer Center Tissue Culture Core Facility.

No alerts have been found for University of North Carolina Lineberger Comprehensive Cancer Center Tissue Culture Core Facility.
