Virus Variation

RRID:SCR_013790

Type: Tool

Proper Citation

Virus Variation (RRID:SCR_013790)

Resource Information

URL: <http://www.ncbi.nlm.nih.gov/genome/viruses/variation/>

Proper Citation: Virus Variation (RRID:SCR_013790)

Description: A repository which supports the search, retrieval, and display of large virus sequence data sets concerning the viruses of Dengue, West Nile, and Influenza. Users can search sequences based on a number of biological and clinical criteria and selected sequences can be downloaded or analyzed using a variety of web-based tools and displays. Virus Variation is an extension of NCBI's Influenza Virus Resource.

Synonyms: NCBI Virus Variation

Resource Type: data resource

Keywords: repository, virus sequence, Dengue, West Nile, Influenza, data set

Availability: Free, Public

Resource Name: Virus Variation

Resource ID: SCR_013790

Record Creation Time: 20220129T080318+0000

Record Last Update: 20260815T182442+0000

Ratings and Alerts

No rating or validation information has been found for Virus Variation.

No alerts have been found for Virus Variation.

Data and Source Information

Usage and Citation Metrics

We found 7 mentions in open access literature.

Listed below are recent publications. The full list is available at [PRECISE-TBI](#) .
