Proper Citation: GitLab (RRID:SCR_013983)

Description: A software application which provides Git repository management with fine grained access controls, code reviews, issue tracking, activity feeds, wikis, and continuous integration. Four different versions are available, each with different packaging pricing: Community edition, Enterprise edition, Continuous integration, and GitLab.com.

Resource Type: software application, software resource, data management software

Keywords: software application, Git repository management, Git repository, data management

Availability: Fee (for certain editions and packages)

Resource Name: GitLab

Resource ID: SCR_013983
