Atlases of amygdala and hippocampus for pediatric populations

RRID:SCR_014085

Type: Tool

Proper Citation

Atlases of amygdala and hippocampus for pediatric populations (RRID:SCR_014085)

Resource Information

URL: http://www.nitrc.org/projects/jhucis_pedatlas/

Proper Citation: Atlases of amygdala and hippocampus for pediatric populations (RRID:SCR_014085)

Description: Anatomical atlases constructed by Computational Anatomy of Johns Hopkins University for analysis of shape vectors. The atlases were generated from segmented hippocampal and amygdala structures in acquired populations of children, adolescents and young adults in neuroimaging studies of major depression disorder (MDD) at Washington University at St Louis.

Resource Type: data or information resource, atlas

Keywords: atlas, amygdala, hippocampus, children, adolescent, young adult, human brain, depression, shape vector, analysis

Resource Name: Atlases of amygdala and hippocampus for pediatric populations

Resource ID: SCR_014085

License: BIRN Data License
