MARS (Multi-Atlas Robust Segmentation)

RRID:SCR_014137

Type: Tool

Proper Citation

MARS (Multi-Atlas Robust Segmentation) (RRID:SCR_014137)

Resource Information

URL: <http://www.nitrc.org/projects/mars/>

Proper Citation: MARS (Multi-Atlas Robust Segmentation) (RRID:SCR_014137)

Description: Software which provides the automatic solutions for efficient segmentation/labeling anatomical structures from medical images. It has integrated several multi-atlas based segmentation methods such as majority voting, local weighted voting, and non-local patch based segmentation methods.

Resource Type: image analysis software, segmentation software, software application, software resource, data processing software

Defining Citation: [PMID:24315359](#)

Keywords: segmentation software, anatomical structure, label, multi atlas

Availability: Available to the research community

Resource Name: MARS (Multi-Atlas Robust Segmentation)

Resource ID: SCR_014137

License: GNU General Public License

Record Creation Time: 20220129T080319+0000

Record Last Update: 20260801T042725+0000

Ratings and Alerts

No rating or validation information has been found for MARS (Multi-Atlas Robust Segmentation).

No alerts have been found for MARS (Multi-Atlas Robust Segmentation).

Data and Source Information
