Proper Citation: Restoring Insulin Secretion Consortium (RISE) (RRID:SCR_014383)

Description: Consortium which includes 3 studies, each assessing the hypothesis that aggressive glucose lowering will lead to recovery of beta-cell function that will be sustained after treatment in those with prediabetes and early type 2 diabetes.

Abbreviations: RISE

Synonyms: Restoring Insulin Secretion Consortium

Resource Type: consortium, data or information resource, portal, database, organization portal

Keywords: prediabetes, type 2 diabetes, consortium, aggressive glucose lowering, beta cell function, Diabetes

Funding: NIDDK

Resource Name: Restoring Insulin Secretion Consortium (RISE)

Resource ID: SCR_014383

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260801T190502+0000

Ratings and Alerts

No rating or validation information has been found for Restoring Insulin Secretion Consortium (RISE).

No alerts have been found for Restoring Insulin Secretion Consortium (RISE).
