Surveyor with Turboscan

RRID:SCR_014433

Type: Tool

Proper Citation

Surveyor with Turboscan (RRID:SCR_014433)

Resource Information

URL: <http://www.objectiveimaging.com/download/software.php>

Proper Citation: Surveyor with Turboscan (RRID:SCR_014433)

Description: Automated scanning software used in conjunction with the Leica DM6000B microscope to obtain whole-slide image mosaics of histological slides. When performing a scan, Turboscan or the standard scan may be used.

Resource Type: data processing software, software resource, image acquisition software, software application, data acquisition software

Keywords: scan, data acquisition software, hardware management software, microscope software, image mosaic, histological slide

Availability: Freely available online

Resource Name: Surveyor with Turboscan

Resource ID: SCR_014433
