University of Alabama at Birmingham Diabetes Research Center Human Physiology Core Facility

RRID:SCR_015111

Type: Tool

Proper Citation

University of Alabama at Birmingham Diabetes Research Center Human Physiology Core Facility (RRID:SCR_015111)

Resource Information

URL: <http://www.uab.edu/shp/drc/human-physiology-core-links>

Proper Citation: University of Alabama at Birmingham Diabetes Research Center Human Physiology Core Facility (RRID:SCR_015111)

Description: Core which incorporates and combines expertise and technology for assessment of hormones and other analytes in both humans and animal models; body composition and fat distribution; insulin sensitivity and substrate metabolism; energy expenditure; and cardiovascular function.

Synonyms: Human Physiology Core

Resource Type: access service resource, service resource, core facility

Keywords: ABRF, serum analysis, human cardiovascular function, glucose tolerance testing, human body composition

Related Condition: Diabetes

Funding: NIDDK DK079626

Availability: Open

Resource Name: University of Alabama at Birmingham Diabetes Research Center Human Physiology Core Facility

Resource ID: SCR_015111

Alternate IDs: ABRF_2972

Alternate URLs: <https://coremarketplace.org/?FacilityID=2972&citation=1>

Record Creation Time: 20220129T080324+0000

Record Last Update: 20260729T044358+0000

Ratings and Alerts

No rating or validation information has been found for University of Alabama at Birmingham Diabetes Research Center Human Physiology Core Facility.

No alerts have been found for University of Alabama at Birmingham Diabetes Research Center Human Physiology Core Facility.
