## [fastp](#)

RRID:SCR\_016962

Type: Tool

---

### Proper Citation

fastp (RRID:SCR\_016962)

---

### Resource Information

**URL:** <https://github.com/OpenGene/fastp>

**Proper Citation:** fastp (RRID:SCR\_016962)

**Description:** Software tool to provide fast all in one preprocessing for FastQ files. Developed in C++ with multithreading supported to afford high performance. Performs quality control, adapter trimming, quality filtering, per read quality pruning and many other operations with a single scan of the FASTQ data.

**Resource Type:** data processing software, software application, data analysis software, software resource

**Defining Citation:** [PMID:30423086](#)

**Keywords:** fast, all in one, preprocessing, FastQ, file, data, read, quality, control, adapter, trimming, filtering

**Funding:** Special Funds for Future Industries of Shenzhen ;  
National Science Foundation of China

**Availability:** Free, Available for download, Freely available

**Resource Name:** fastp

**Resource ID:** SCR\_016962

**License:** MIT License

**Record Creation Time:** 20220129T080332+0000

**Record Last Update:** 20260731T043014+0000

---

### Ratings and Alerts

No rating or validation information has been found for fastp.

No alerts have been found for fastp.

---

## Data and Source Information
