

Resource Summary Report

Generated by PRECISE-TBI on Aug 1, 2026

Genome Institute of Singapore Scientific and Research Computing Core Facility

RRID:SCR_017193

Type: Tool

Proper Citation

Genome Institute of Singapore Scientific and Research Computing Core Facility
(RRID:SCR_017193)

Resource Information

URL: <https://www.a-star.edu.sg/gis/Our-Science/Technology-Platforms/Scientific-and-Research-Computing>

Proper Citation: Genome Institute of Singapore Scientific and Research Computing Core Facility (RRID:SCR_017193)

Description: Core provides research computing resources including bioinformatics, application development, data management and IT infrastructure to support next generation sequencing technologies, human genotyping, high throughput screening and computational biology researchers.

Abbreviations: GIS Scientific and Research Computing

Synonyms: Core Facility, GIS, Scientific & Research Computing, Scientific and Research Computing, Genome Institute of Singapore

Resource Type: data analysis service, service resource, core facility, production service resource, access service resource, software resource, analysis service resource

Keywords: bioinformatics, genomic, data, management, next, generation, sequencing, genotyping, analysis

Availability: Open

Resource Name: Genome Institute of Singapore Scientific and Research Computing Core Facility

Resource ID: SCR_017193

Record Creation Time: 20220129T080334+0000

Record Last Update: 20260801T190555+0000

Ratings and Alerts

No rating or validation information has been found for Genome Institute of Singapore Scientific and Research Computing Core Facility.

No alerts have been found for Genome Institute of Singapore Scientific and Research Computing Core Facility.
