FateID

RRID:SCR_017244

Type: Tool

Proper Citation

FateID (RRID:SCR_017244)

Resource Information

URL: <https://github.com/dgrun/FateID>

Proper Citation: FateID (RRID:SCR_017244)

Description: Software R package for inference of cell fate bias from single cell RNA-seq data. Iterative supervised learning algorithm for probabilistic quantification of cell fate bias in progenitor populations.

Resource Type: data analysis software, software resource, software application, data processing software

Defining Citation: [PMID:29630061](#)

Keywords: inference, cell, fate, bias, single, RNAseq, data, iterative, supervised, learning, algorithm, probabilistic, quantification, progenitor, population, bio.tools

Availability: Free, Available for download, Freely available

Resource Name: FateID

Resource ID: SCR_017244

Alternate IDs: biotools:fateid

Alternate URLs: <https://bio.tools/fateid>

Record Creation Time: 20220129T080334+0000

Record Last Update: 20260810T040701+0000

Ratings and Alerts

No rating or validation information has been found for FateID.

No alerts have been found for FateID.

Data and Source Information
