Proper Citation: Diffusion Toolkit (RRID:SCR_017345)

Description: Software as set of commandline tools with GUI frontend that performs data reconstruction and fiber tracking on diffusion MR images. It does preparation work for TrackVis. Software Package for diffusion imaging data processing and tractography.

Abbreviations: DTK

Resource Type: software resource, software application, data analysis software, data processing software

Keywords: data, reconstruction, fiber, tracking, diffusion, MR, image, processing, tractography

Availability: Restricted

Resource Name: Diffusion Toolkit

Resource ID: SCR_017345
