South Dakota University SD BRIN Proteomics Core Facility

RRID:SCR_017743

Type: Tool

Proper Citation

South Dakota University SD BRIN Proteomics Core Facility (RRID:SCR_017743)

Resource Information

URL: <https://www.usd.edu/medicine/basic-biomedical-sciences/proteomics-core>

Proper Citation: South Dakota University SD BRIN Proteomics Core Facility (RRID:SCR_017743)

Description: Core provides proteomics services to researchers from South Dakota and the surrounding region to rapidly analyze and identify protein expression patterns in their experimental systems. Develops experimental design, protocols, data analysis and interpretation. Provides consulting and advice in grant proposal, as well as data preparation to be submitted to proteomics journal according to requirements. Offers training in use of common equipment such as scanner, spot cutter, imaging software, technique and protocol issues, and sample preparation.

Synonyms: Proteomics Core

Resource Type: core facility, service resource, access service resource

Keywords: Proteomics, protein, expression, analysis, data, experimental, design, training, service, core

Funding: NIGMS ;
Sanford School of Medicine and South Dakota Biomedical Research Infrastructure Network

Availability: Open

Resource Name: South Dakota University SD BRIN Proteomics Core Facility

Resource ID: SCR_017743

Alternate IDs: ABRF_224

Record Creation Time: 20220129T080336+0000

Record Last Update: 20260731T043024+0000

Ratings and Alerts

No rating or validation information has been found for South Dakota University SD BRIN Proteomics Core Facility.

No alerts have been found for South Dakota University SD BRIN Proteomics Core Facility.
