Molinspiration

RRID:SCR_018525

Type: Tool

Proper Citation

Molinspiration (RRID:SCR_018525)

Resource Information

URL: <https://www.molinspiration.com/>

Proper Citation: Molinspiration (RRID:SCR_018525)

Description: Broad range of cheminformatics software tools supporting molecule manipulation and processing, including SMILES and SDfile conversion, normalization of molecules, generation of tautomers, molecule fragmentation, calculation of various molecular properties needed in QSAR, molecular modelling and drug design, high quality molecule depiction, molecular database tools supporting substructure and similarity searches. Molinspiration tools are platform independent and may be run on any PC, Mac, UNIX or LINUX machine. Software is distributed in form of engines, which may be used as stand-alone computational engines, used to power web-based tools, or incorporated into larger in-house Java applications.

Resource Type: software toolkit, software resource

Keywords: Cheminformatics, molecule manipulation, molecule processing, molecule normalization, tautomer generation, molecule fragmentation, molecular property calculation, molecular modeling, drug design, FASEB list

Availability: Free, Freely available

Resource Name: Molinspiration

Resource ID: SCR_018525

Record Creation Time: 20220129T080340+0000

Record Last Update: 20260729T044458+0000

Ratings and Alerts

No rating or validation information has been found for Molinspiration.

No alerts have been found for Molinspiration.

Data and Source Information
