Proper Citation: GalaxyWEB (RRID:SCR_018558)

Description: Web server for protein structure prediction and refinement. Used to predict protein structure from sequence by template based modeling. Used for refinement after providing starting model structure and locations of loops or termini to be refined.

Resource Type: service resource, data access protocol, software resource, production service resource, web service, analysis service resource

Defining Citation: [PMID:22649060](https://pubmed.ncbi.nlm.nih.gov/22649060/)

Keywords: Protein structure prediction, protein structure refinement, protein sequence, template based modeling, model structure, loop location, bio.tools

Funding: National Research Foundation of Korea ;
Ministry of Land ;
Transport and Maritime Affairs of Korea ;
Seoul National University

Availability: Free, Freely available

Resource Name: GalaxyWEB
