Case Western Reserve University Genomics Core Facility

RRID:SCR_019021

Type: Tool

Proper Citation

Case Western Reserve University Genomics Core Facility (RRID:SCR_019021)

Resource Information

URL: <https://case.edu/medicine/genomics/>

Proper Citation: Case Western Reserve University Genomics Core Facility (RRID:SCR_019021)

Description: Core provides centralized resource working to take difficulty out of Next Generation Sequencing projects for both novice and experienced users alike. Provides assistance in all facets of experimentation from design to data analysis including grant and manuscript preparations. Offers NGS, Sanger, Informatics and Genotyping services based off of Illumina platform.

Synonyms: Case Western Reserve University CWRU Genomics Core, CWRU Genomics Core

Resource Type: core facility, service resource, access service resource

Keywords: USEEdit, Next Generation Sequencing, data analysis, experiment design, grant preparation, manuscript preparation, genotyping services, Illumina, ABRF

Availability: open

Resource Name: Case Western Reserve University Genomics Core Facility

Resource ID: SCR_019021

Alternate IDs: ABRF_468

Alternate URLs: <https://coremarketplace.org/?FacilityID=468>

Record Creation Time: 20220129T080343+0000

Record Last Update: 20260731T043039+0000

Ratings and Alerts

No rating or validation information has been found for Case Western Reserve University Genomics Core Facility.

No alerts have been found for Case Western Reserve University Genomics Core Facility.
