Proper Citation: National Collaborative on Childhood Obesity Research (RRID:SCR_019150)

Description: Brings together Centers for Disease Control and Prevention, National Institutes of Health, Robert Wood Johnson Foundation, and U.S. Department of Agriculture to accelerate progress in reducing childhood obesity in America, to manage projects and reach common goals, to coordinate funding to make the most of available resources, to share insights and expertise to strengthen research. NCCOR focuses on efforts that have to benefit children, teens, and their families, and communities in which they live.

Abbreviations: NCCOR

Resource Type: data or information resource, portal, topical portal, disease-related portal, organization portal

Keywords: Childhood obesity, reducing childhood obesity, coordinate funding, coordinate projects, benefit children

Related Condition: Obesity

Availability: Free, Freely available

Resource Name: National Collaborative on Childhood Obesity Research

Resource ID: SCR_019150

Record Creation Time: 20220129T080343+0000

Record Last Update: 20260801T190623+0000
