New York University Langone Medical Center Research Software Engineering Core Facility

RRID:SCR_023022
Type: Tool

Proper Citation

New York University Langone Medical Center Research Software Engineering Core Facility (RRID:SCR_023022)

Resource Information

URL: https://nyumc.ilab.agilent.com/sc/5998/research_software_engineering_core

Proper Citation: New York University Langone Medical Center Research Software Engineering Core Facility (RRID:SCR_023022)

Description: Core is resource launched by NYU Langone, based in Information Technology department in close collaboration with NYU Grossman School of Medicine.Used to design, develop, optimize, and customize software to accelerate research. Requires iLab log in.

Abbreviations: RSE

Synonyms: Research Software Engineering Core, New York University Langone Medical Center Research Software Engineering Core, Research Software Engineering

Resource Type: core facility, service resource, access service resource

Keywords: USEDit, ABRF, design software, develop software, optimize software, customize software

Resource Name: New York University Langone Medical Center Research Software Engineering Core Facility

Resource ID: SCR_023022

Alternate IDs: ABRF_1632

Alternate URLs: https://coremarketplace.org/?FacilityID=1632

Record Creation Time: 20221130T050154+0000

Record Last Update: 20260731T043124+0000

Ratings and Alerts

No rating or validation information has been found for New York University Langone Medical Center Research Software Engineering Core Facility.

No alerts have been found for New York University Langone Medical Center Research Software Engineering Core Facility.
