Tombo

RRID:SCR_024388

Type: Tool

Proper Citation

Tombo (RRID:SCR_024388)

Resource Information

URL: <https://github.com/nanoporetech/tombo>

Proper Citation: Tombo (RRID:SCR_024388)

Description: Software suite of tools for identification of modified nucleotides from nanopore sequencing data.Used also for analysis and visualization of raw nanopore signal.

Synonyms: ont-tombo

Resource Type: data processing software, software application, data analysis software, software resource

Keywords: identification of modified nucleotides, nanopore sequencing data, analysis and visualization of raw nanopore signal,

Availability: Free, Available for download, Freely available,

Resource Name: Tombo

Resource ID: SCR_024388

Alternate URLs: <https://sources.debian.org/src/tombo/>

License: Mozilla Public License Version 2.0

Record Creation Time: 20230830T050217+0000

Record Last Update: 20260731T043146+0000

Ratings and Alerts

No rating or validation information has been found for Tombo.

No alerts have been found for Tombo.

Data and Source Information
