Type: Tool

Proper Citation

quarTeT (RRID:SCR_025258)

Resource Information

URL: <http://www.atcgn.com:8080/quarTeT/home.html>

Proper Citation: quarTeT (RRID:SCR_025258)

Description: Web toolkit for studies of large scale T2T genomes. Collection of tools designed for T2T genome assembly and characterization, including reference guided genome assembly, ultra long sequence based gap filling, telomere identification, and de novo centromere prediction. Includes four modules: AssemblyMapper, GapFiller, TeloExplorer, and CentroMiner. Modules can be used alone or in combination with each other for T2T genome assembly and characterization.

Synonyms: quar Telomere-To-Telomere Toolkit

Resource Type: software resource, source code, web application

Defining Citation: [PMID:37560017](#)

Keywords: Telomere-To-Telomere genomes studies, guided genome assembly, ultra long sequence based gap filling, telomere identification, de novo centromere prediction, large scale T2T genomes, assemble and analyse multiple high quality genomes, highly repetitive regions in genomes,

Funding: National Natural Science Foundation of China

Availability: Free, Available for download, Freely available

Resource Name: quarTeT

Resource ID: SCR_025258

Alternate URLs: <https://github.com/aaranyue/quarTeT>

Record Creation Time: 20240412T053246+0000

Record Last Update: 20260829T183359+0000

Ratings and Alerts

No rating or validation information has been found for quarTeT.

No alerts have been found for quarTeT.
