Proper Citation: University of Michigan School of Medicine Advanced Genomics Core Facility (RRID:SCR_025788)

Description: Provides next generation services. Provides centralized expertise in advanced methods that enables all researchers to effectively exploit them for making scientific discoveries.

Synonyms: University of Michigan Advanced Genomics Core Research Facility, University of Michigan School of Medicine Advanced Genomics Core Research Facility, Advanced Genomics Core

Resource Type: core facility, service resource, access service resource

Keywords: next generation services,

Resource Name: University of Michigan School of Medicine Advanced Genomics Core Facility

Resource ID: SCR_025788

Record Creation Time: 20240924T053250+0000
