Augusta University Small Animal Behavior Core Facility (RRID:SCR_027041)

Resource Information

URL: <https://www.augusta.edu/research/core/sabc/index.php>

Proper Citation: Augusta University Small Animal Behavior Core Facility (RRID:SCR_027041)

Description: Core provides services for researchers in need of behavioral analyses in small animals (specifically mice or rats). Core provides expertise in design and implementation of behavioral experiments as well as data analysis and interpretation. Core is equipped to accommodate behavioral tests relevant to learning and memory, attention, executive function, sensory gating, place/fear conditioning, motor function, nociception, and anxiety and depression-related behaviors etc. Testing facility is operated within centralized animal care program of Division of Laboratory Animal Services.

Resource Type: core facility, service resource, access service resource

Keywords: behavioral analyses in small animals, mice, rats, behavioral tests, learning and memory, attention, executive function, sensory gating, place fear conditioning, motor function, nociception, anxiety and depression related behaviors,

Availability: Open
