Resource Information

URL: <https://www.augusta.edu/research/core/medical-sculpture.php>

Proper Citation: Augusta University Medical Sculpture Core Facility (RRID:SCR_027863)

Description: Department of Medical Illustration's Medical Sculpture Core advances education and research capabilities in medical sculpture. The space serves as an AU Core Research Lab to provide expertise in medical sculpture, volumetric visualization, and 3D printing. This lab space will offer educational and research opportunities for students to develop medical models such as surgical simulation models and patient education models. The research will improve surgical and medical training and provide insight into materials and technology to improve patient care.

Resource Type: core facility, service resource, access service resource

Keywords: ABRF, medical sculpture, volumetric visualization, 3D printing, develop medical models, surgical simulation models, patient education models,

Resource Name: Augusta University Medical Sculpture Core Facility

Resource ID: SCR_027863

Alternate IDs: ABRF_5728

Alternate URLs: <https://coremarketplace.org/?FacilityID=5728>

Record Creation Time: 20260110T054223+0000

Record Last Update: 20260731T043246+0000
