Proper Citation: National Institute for Basic Biology; Okazaki; Japan (RRID:SCR_000336)

Description: An organization which promotes studies in biology by conducting research itself as well as in cooperation with other research institutions. This organization covers a wide variety of biological fields, such as cell biology, developmental biology, neurobiology, evolutionary biology and theoretical biology. NIBB also offers graduate education programs through the Graduate University for Advanced Studies (SOKENDAI). This program provides five-year Doctoral courses for university graduates and a three-year senior Doctoral course for those with a Master's degree already.

Abbreviations: NIBB

Synonyms: National Institute for Basic Biology

Resource Type: institution

Keywords: biology research, biology, neurobiology, evolutionary biology, theoretical biology, research, institution

Resource Name: National Institute for Basic Biology; Okazaki; Japan
